The Annual Report for the Town of Paris, 2013– 2014,
is dedicated to the memory of:

John “Jack” Richardson

John “Jack” Richardson retired as a Special Agent for the FBI in 1995. He and his wife, Kathy, then moved to Paris, Maine and Jack became very active in Town affairs for almost 20 years. Jack was a proud member of the Oxford Hills Rotary Club from 1997 to the present. Both he and Kathy have been very active in the historic community of Paris Hill, where they live, and have been involved with the Hamlin Memorial Library and Museum, as well as the Paris Hill Community Club. He continued to assist the Police Department with a total overhaul of their Standard Operating Procedures right up until his untimely passing due to cancer in February.

He served in the U.S. Air Force as an aircraft mechanic from 1962 to 1966, and went on to graduate from George Washington University in Washington, D.C., in 1970. In 1975, he graduated from the FBI Academy in Quantico, Va.

In 1968, Jack married Kathleen “Kathy” Bean, who was then teaching in Littleton, N.H. Jack and Kathy moved to the Washington, D.C., area, and lived in Alexandria and Oakton, Va., along with their son, Chris, and daughter, Becky, until 1995.

During his time in Paris Jack worked for the FBI as well as other U.S. government agencies as a security investigator/contractor. In addition, utilizing his love — and skill — of building and renovating, he turned some of his furniture restoration into a part-time business.

Jack was a fixture in Town government and always brought a sense of professionalism, integrity, and dedication, to every project he was involved in.

2014 AT A GLANCE

2013 was an eventful year filled with changes the community as a whole can be proud of. The Town hired a new highly qualified Police Chief with 28 years of experience from a much larger municipality. The Police Department improved by the addition of new officers and a new Detective Sargent. The Highway Director changed hands; Jamie Hutchinson was promoted from Assistant Highway Director in January 2014. Hiring an Assistant Highway Director was a year of trial and error with candidates. Fortunately, the Town found an Assistant Highway director in November 2014 that seems to be a very good fit for the Highway Department.

In April of 2014 the Town made the decision to change auditors; the Select Board authorized the Town to enter into a three year contract for auditing services with RHR Smith. (Bill Hall, the Towns lead RHR Smith Auditor, began pre-work on the 2013-14 Audit.) In doing this Mr. Hall identified areas of concern with the Town's accounting Software System TRIO. The Town of Paris has used the TRIO Software since the late 1990's, and when it was upgraded to a windows system the Town did not elect to have the system professionally set up. This has caused a series of issues that until 2014 was not identified and resolved. The Town is continuing to work on setting up the separate funds for the reserved accounts approved at a Town Meeting.

The Town was able to stabilize the tax rate by savings in debt service payoffs for the 2014-15 budget. Residents did not experience a property tax increase even though the SAD #17 increased the Town of Paris appropriation by roughly \$106,000. All of this was achieved in spite of continuing Paris Road Improvement Plan, spending \$525,000 to pave Elm Hill Road, Paris Hill Road, and Parsons Road.

The Town has had a relationship with Paris Revitalization Forum, a group of citizens and business owners interested in promoting Paris and lowering the tax rate. They came to the Select Board and asked for funds to commission a Market Square Strategic Plan. This Plan was a snapshot of the demographics of Paris, along with an inventory of buildings and commercial spaces in the Market Square area, and a list of projects to improve the Town of Paris. The Plan was commissioned in May 2014, and the board accepted the Plan in January 2015. The board is working with the Paris Revitalization Form to prioritize and designating a lead for the list of projects in the Plan.

Very Truly Yours,

Amy L. Bernard

Amy L. Bernard
Town Manager

2014 CODE ENFORCEMENT REPORT

2013-2014 Fiscal Year was a year of continued growth in residential as well as commercial.

BUILDING PERMITS:

Residential

Single Family Residence	6
Two family residences	0
Manufactured housing units	12
Additions	11
Accessory structures	10
Renovations	5
Miscellaneous	10
Demo permits	2

Non-residential

Commercial	7
Governmental	1
Sign permits	1
Demo permits	2
Miscellaneous	2
Other	0
Permits voided	<u>0</u>

Total **52**

Total Construction value **\$ 3,014,037.00**

Total Building Permit fees **\$ 12,608.20**

Just a friendly reminder to be sure that commercial and residential address numbers are posted for emergency vehicles. This is for your health and safety.

Plumbing Permits:

Internal permits	26
Subsurface system permits	13
Manufactured housing hook-up permits	4
Transfer permits	0
Permits voided	<u>0</u>

Total **43**

State Share of fees (25%) **\$ 900.00**

Town Share (75%) **\$ 2700.00**

Total Plumbing Permit fees **\$ 3600.00**

Respectfully,

Fred S. Collins Jr

Code Enforcement Officer
E-911 Addressing Officer

TAX ASSESSOR'S REPORT

THREE YEAR SUMMARY OF ASSESSED VALUES

	2012	2013	2014
Total Land Value	\$129,172,600	\$130,197,700	\$130,756,500
Total Building Value	\$183,975,200	\$185,179,500	\$185,705,600
Personal Property Val	\$ 10,079,100	\$ 8,902,900	\$ 9,813,200
Total Assessed Value	\$323,226,900	\$324,280,100	\$326,275,300

The summary above reflects an increase in total taxable valuation of \$1,995,200 from April 1, 2013 to March 30, 2014. The increase in value was a result of new construction and property divisions.

The most recent sales ratio analysis indicates that the town is assessing properties at 100% of fair market value.

Tax assessments are set as of April 1st of each year. Any new construction is assessed the extent it is completed as of that date. Property ownership is also fixed as of that date. The Town cannot change ownership of property that transfers after April 1st until the taxes have been committed for that tax year. The buyers and sellers of real estate should confirm that current, as well as prior year taxes have been paid at the time of closing.

There is a Homestead exemption available for Paris residents owning a homestead for a minimum of 12 months prior to April 1 of the year in which they are filing. The current homestead exemption is a reduction in assessed value of \$10,000.00, which for the 2014-2015 fiscal year resulted in a tax savings of \$179.00.

Also, residents who are veterans or are widows of veterans that served in the armed forces of the United States during any federally recognized war period may be eligible for partial exemption. If you are a veteran and have reached the age of 62, or are receiving any form of pension or compensation from the U.S. government for total or partial disability, you are eligible for partial exemption. The deadline for making application for exemptions is April 1st of each year. Applications are included in the Town Report and available at the Assessor's office.

Respectfully Submitted

Town Clerk's Report

Five years....where has the time gone? It is so hard to believe that I am writing my fifth annual report as the Town Clerk of Paris.

The Clerk's Office is often referred to as the "hub" of Paris's Government as we are the "go to" department for the majority of services offered to our residents and business owners. We take pride in the services that we provide and we strive to stay up to date on laws and procedures through trainings offered by the Maine Municipal Association and the various State Departments that as the Town Clerk I act as Agent for. It is our goal to give the highest level of customer service in an open and friendly office atmosphere.

I would like to thank my two Deputy Clerk's, Christine Cushman and Dian Rainey they are both my very valued hard workers and without them I don't know where I would be.

Respectfully Submitted,

Elizabeth J. Knox
Town Clerk/Office Manager

Report of the Registrar of Voters

We are always working on the upkeep of the voter registration list however the management is not as easy as it would seem. Laws prohibit the removal of the voter's name without the appropriate documentation necessary to support the removal so we rely heavily on the State Department of Motor Vehicle for their "Motor Voter" notifications that inform us of address changes for residents whether it be a change within town or to a new municipality within Maine. Any resident may register to vote at the Town Clerk's Office during normal business hours or on Town Meeting/Election Day. It is required that proof of the identity as well as proof of residency be shown at the time of registration.

I would like to take this opportunity to thank the Clerk's Office Staff as well as my "dedicated" Ballot Clerks, Rebecca Armstrong, Joan Bean, Gladys Foster and Constance Lachance without these ladies I don't think an election would be complete.

The Town of Paris has: 3738 registered voters of which, 1486 are considered un-enrolled, 1048 are enrolled in the Republican Party, 973 are enrolled in the Democratic Party and 231 are enrolled in the Green Independent Party.

Just remember.....every vote counts!! So do your part, get out and vote!!

Respectfully Submitted,

Elizabeth J. Knox
Registrar of Voters

Transactions processed in the Town Clerk's office for the fiscal year 2013/2014

The Town Clerk's office is responsible for the supervision of the front office, issuing liquor licenses, dog licenses, hunting & fishing licenses, all motor vehicle transactions, snowmobiles, boats, and ATV's. Also election administration for the town, maintaining, preserving and disposition of municipal records, the Town Report, ordinances and policies, recording town meeting and board of Selectmen's minutes, Planning Board minutes/secretary, all appointments & committee memberships, recording of births, marriages, and deaths records and the ordering of office supplies.

The Deputy Town Clerks are responsible for customer service, answering all telephone calls, processing mail, tax liens, all filing, certified copies of vital records, bulk mailings.

Inland Fisheries & Wildlife

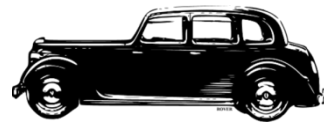

Boats	193
Snowmobiles	172
Hunting/Fishing Licenses	396
ATV's	119

Paris residents can register their boats, snowmobiles and ATV's on-line by going to the Town's website at www.parismaine.org and select the hyperlink. This service is available 24/7 and accepts credit card and

Motor Vehicle Transactions

The Town of Paris registered 5,064 vehicles, and collected \$767,811.16 in excise tax for the fiscal year 13-14.

Paris residents can register their vehicle on-line by going to the Town's website at www.parismaine.org and select the hyperlink for Rapid Renewal. This service is available 24/7 and accepts credit card and electronic check payment for your convenience.

The Clerk of the Town

If they want to get married, or fish in the sea,
If they vote by machine, or they vote absentee,
Whatever their problem turns out to be,
It's the work of the Clerk of the Town.

We're concerned with such things as the sex of a dog,
And how many bees in a hive,
And we file, we record, we attach and attest,
Anything be it dead or alive.

Whatever goes on in the Town we record,
And often we do it with little reward,
We often go crazy, but never get bored,
Oh, it's great to be Clerk of the Town.

Dog Licenses

The State of Maine requires that all dogs be licensed after six month of age or within 10 days of ownership. Licenses expire December 31 of each year. Also, remember to bring in a current rabies certificate and/or neutering/spay certificate. License fees and number of dogs registered in Paris are as follows:

Male/Female	\$11.00 – 119 registered
Neuter/Spay	\$ 6.00 – 622 registered
Kennels	\$42.00 – 18 Kennels

This year the Paris Police Department has received five federal/state grants to supplement our budget.

The Department hired a new School Resource Officer who is training at the Maine Criminal Justice Academy. The department also purchased a new SUV for patrol and was able to purchase a 2008 Ford Crown Victoria from Harrison to supplement the fleet. The Patrol Division has been operating at full strength for the first time in several years. New Standard Operating Procedures were implemented to bring the department in compliance with state regulations.

PATROL DIVISION

Patrol has responded and apprehended several criminals. The patrol division continued to service an ever increasing number of calls for service. The patrol division also assisted with several department initiated drug investigations which led to major search and seizure raids and arrests. They also have assisted the Detective Division in the follow-up investigations of a variety of crimes, as well as addressing quality of life issues.

Officers have also assisted Oxford and Norway Police, along with the County Sheriff's Department and The Maine State Police.

Patrol has aggressively enforced the motor vehicle statutes which not only resulted in a safer community, but also arrests for drugs and wanted persons were apprehended.

Patrol has handled the recent snow storms with challenging road conditions extremely well.

A School Resource Officer is present at Oxford Hills Comprehensive Regional High School and responds to both campuses of the Middle School and Paris Elementary.

Reserve officers who also perform full time duties in Rumford and Auburn have supplemented the full time force and have assisted with covering the many extra traffic details for speeding, OUI enforcement, seat belts, and distracted driving.

DETECTIVE DIVISION

The totally revamped Detective Division continues to investigate all unsolved crimes while also following up on Domestic complaints, sex offenders, and fraud and forgery investigations. The division also is the primary investigative unit for all Town-wide narcotics investigations working closely with both the MDEA and the Federal Drug Enforcement Agency. The Division continues to provide quality training for both supervisors and officers. Training was provided for patrol rifles which we now carry in the patrol vehicles. Active shooter training was also held and officers are now certified and trained by our own Firearms Instructor. This allowed the department to substantially increase training hours at a minimal cost.

The solution rate of robberies and burglaries continues to be among the best in the area. Illegal drug sales, vehicle thefts, computer crimes, and identity theft, have been the focus of the Detective Division when not working on crimes against persons. The Division also continues to train Patrol Officers in investigations and actively involves them in follow-up investigations whenever possible.

COMMUNITY SERVICE

The Department has been heavily involved in community activities. This year the Department actively attended meetings with the Sexual Assault Response Team, Substance Abuse task Force, and Oxford County Domestic Violence Task Force. The Department also has a DHHS Liaison and a new Public Access Officer in compliance with state regulations. We have also participated in many Town and Chamber of Commerce events as well as activities for SAD 17. The department recently obtained camera monitoring access to Oxford Hills Comprehensive High School. The Department has also spoke at civic events and provided classroom training for SAD #17 principals and administrative staff. We continue to collect old prescriptions and medicines from the public for proper and safe disposal. We also provide an officer annually as a camp counselor for a week for a local program that allows underprivileged or challenged 5th and 6th graders to attend camp in the summer.

Respectfully submitted,

Michael P. Madden Chief of Police

The Paris Police Department responded to 2515 offenses in the FT 2013-2014. Some of those offenses where:

Traffic Accident: 252 (property damage)

Citizen Dispute: 59

Suspicion: 140

911 Hang-up Calls: 53

Traffic Offense: 140

Abandoned Vehicle: 52

Property Theft: 133

Traffic Accident: 51 (personal injury)

Agency Assist: 122

Alarm: 106

Request Officer: 83

Domestic Incident: 68

Juvenile Problem: 68

Welfare Check: 65

As the Fire Chief of Paris Fire Rescue, it is my pleasure to present this summary of activities for the year 2013 / 2014. Your department continues to accept the challenges presented by the economy, increased demands for service, and the adaptation to ever changing technology.

Paris Fire Rescue provides fire suppression, rescue and emergency medical services, hazardous materials mitigation, fire inspection, fire investigation, disaster preparedness, and public education to the Town of Paris. Paris Fire Rescue is consistently working to achieve and/or maintain the highest level of professionalism and efficiency on behalf of those it serves. When you look through this report, you will see an overall increase in fire and EMS calls. Our firefighters are running more calls, and training harder on more subjects. Our goal is to have the safest and best educated and trained firefighters in the state of Maine.

Our call volume is up from 380 in 2012 / 2013 to 487 in 2013 / 2014, a 28% increase.

Our average response time during the hours of 6:30 am to 5:30 pm is 1min 33 sec from time of dispatch to response with an average of 4.3 firefighters. Our response time between the hours of 5:30 pm to 6:30 am is 9 min 15 sec with an average of 2.2 firefighters on board. This is due to the lack of personal in town in the evening.

In closing, I would like to thank the dedicated members of the Paris Fire Department, our Town Manager and staff, Select Board, the citizens of Paris for their continued support and for the opportunity to serve the community as Fire Chief. The Town of Paris truly is a great place to live and work.

Remember to post your house numbers so that we can find you in an emergency and to install proper smoke detectors, they both save lives and property.

Sincerely,

Brad Frost

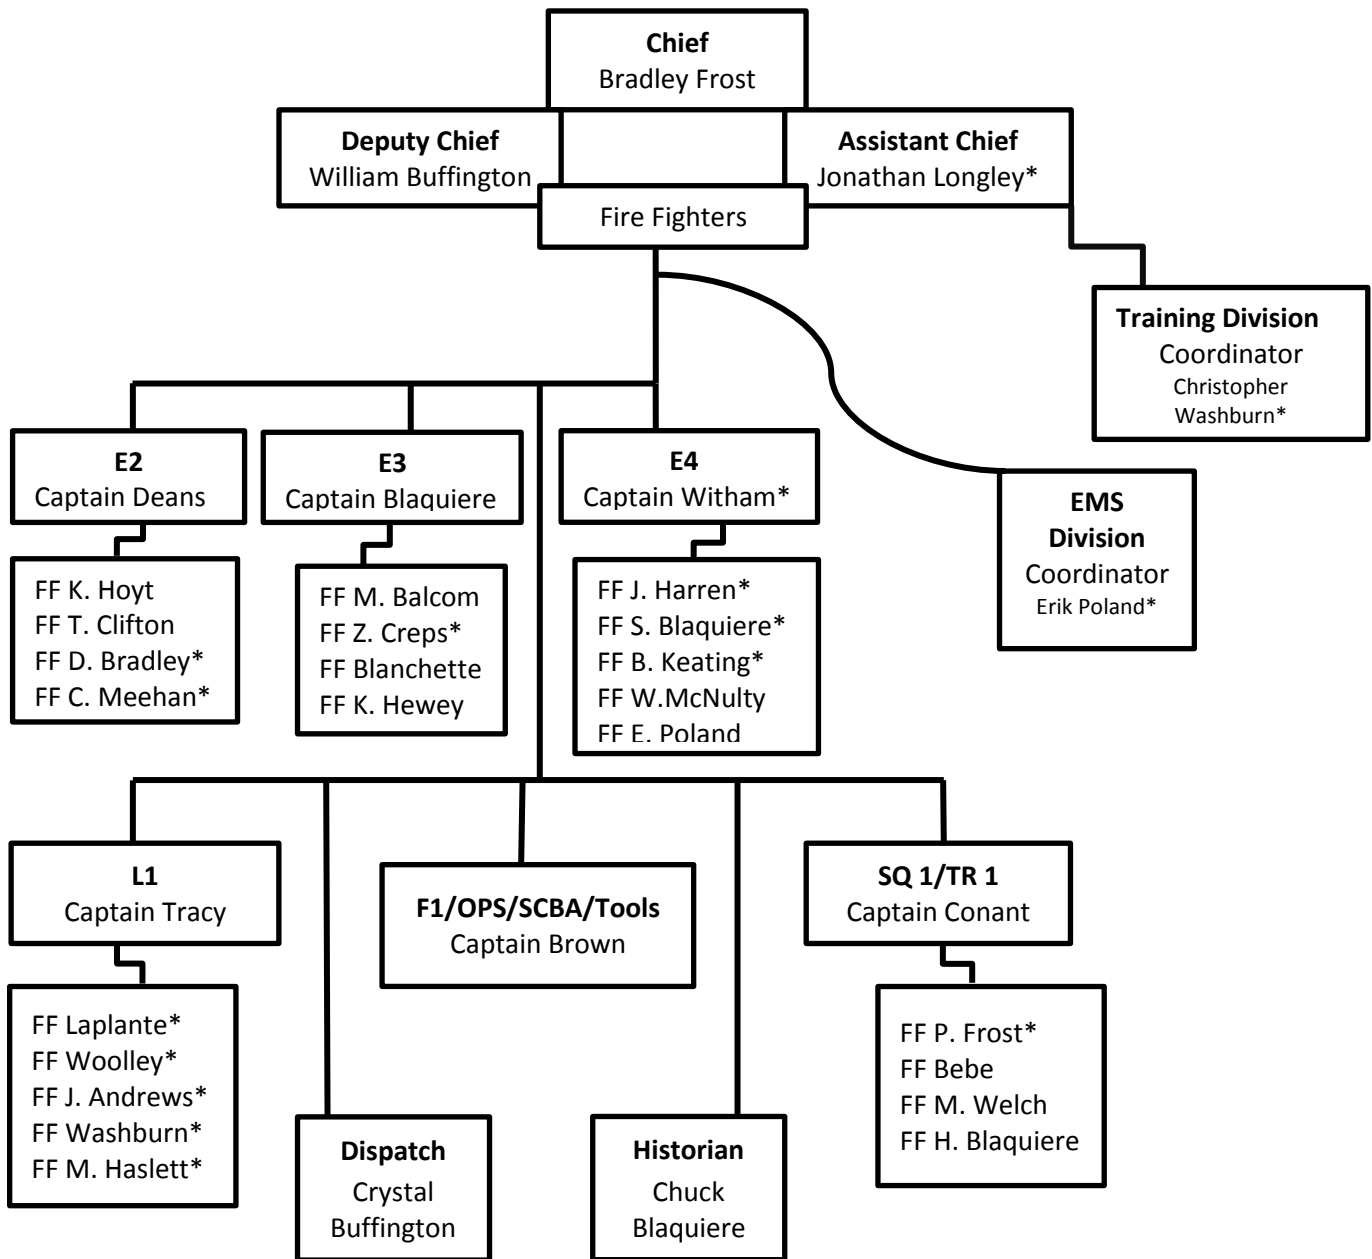

Paris Fire Chief

PARIS HIGHWAY DEPARTMENT 2014/2015

This year the Highway Department continued to keep busy during the summer months upgrading culverts and maintaining ditches and shoulders throughout town. Along with the departments backhoe, we also rent an excavator, and the crew will perform some much needed work on several roads. We will install rock lined ditches and new culverts to help better handle the flow of water. We will also resurface our gravel Road with %" crushed gravel to preserve to integrity of the road surface. Another ongoing project through the summer will be brush cutting along various streets and roadside mowing.

Winter arrived early and as you well know, it never let up! We had 25 storms that dumped approximately 128" of snow. While three of the storms were all freezing rain! The snow accumulation and bitter cold kept the crews busy scraping roads, trying to remove the build-up. This season we used 4,890 yards of treated sand, 1,000 tons of salt.

Spring cleanup this year was a monumental task due to the severity of the winter. We are currently sweeping and getting streets marked and painted.

I would like to thank the Paris Police Department, Paris Fire Department, the Paris Selectmen and the citizens of Paris for their continued corporation throughout the year. Additionally, I would like to thank the ladies in the office for continued patience and support.

Sincerely,

Jamie Hutchinson

Paris Public Library 2013-2014 Annual Report

An Oxford Hills senior working on his community service project approached the library's staff and offered to make a 3 minute public service advertisement for the library. Then he asked "So what do you do here?" That was, and is, a good question.

The Paris Public Library continues the traditional mission of selecting (according to what the librarian thinks the people of the town want), purchasing (according to what the library can afford) and processing for loaning a wide variety of books, movies, audiobooks, and magazines for all ages, and organizes them on shelves so, hopefully, people can find what they are looking for with a minimum of effort. Surprisingly, all this is not as easy as it sounds. In recent years, responding to requests from patrons, the library has been purchasing ebooks, accessed through its account on the Maine Download Library. The librarian will go on a long dissertation about how lendable ebooks differ from printed-on-paper books if asked. Be warned.

The library also continues to offer educational programs to the community. Much of the effort has been directed towards the area's children. The Thursday morning story-time for preschoolers has been a primary offering for decades. Holiday parties at Halloween, Christmas, Valentine's Day and Easter have also been a tradition. And every summer the library hosts activities for children and challenges them to participate in a Summer Reading challenge where reading over vacation earns them rewards. Look for a flyer in June of planned summer activities. In recent years, because the library is staffed with nerds, other special events have been held for children, such as a May the Fourth be with You Star Wars party.

For adults, on the fourth Thursday of the month, the library has a book discussion group focusing on "classic" novels. The library occasionally has other programs such as literary potluck dinners or astronomy "Star Parties."

Computers, and all the technology connected to them, have increasingly been a center of the library's resources and use. The library freely offers computers and open wireless networks to the public. The Internet has supplanted many reference or how-to requests; questions of the library's staff have evolved from "what book has the information I need?" to "how do I print this?" But with the many free (and sometimes questionable) sites on the Internet, the University of Maine System and the Maine State Library offer the MARVEL database of information, containing reliable information and articles on an incredibly broad range of topics. People of Paris can access MARVEL at home: just go to libraries.maine.edu/mainedatabases.

The Paris Public Library has been a meeting place for people and groups too: children being tutored supervised visits of families, the occasional club, or an organization's informational meeting. All are welcome. And last, but certainly not least, the library offers a public restroom. The frequency with which people avail themselves of this simple service is astounding.

The library's eleven trustees are President Terry Cole, Vice President Ray Glover, Secretary Deborah Flick, Treasurer Connie Allen, Deputy Treasurer Carol Huotari, Trustees Carolyn Blais, Evelyn Donovan, John Gould, Sarah Otterson, Bonnie Ripley and Florence Wendell. The library's staff are

Michael Dignan, Michaela Batstone, Billie Lou Damon, Jennifer Gammon, Joy Johnson, Jennifer Lewis, Shannon May and Christie Wessels. We thank Raven Merrill for representing the Library in the production of *Story Connections* with NPC-TV.

The Paris Public Library is open Monday, Wednesday and Friday from 9 a.m. to 6 p.m., Tuesday and Thursday from 9 a.m. to 8 p.m. and on Saturday 9 a.m. to 3 p.m.

Please contact the library's staff with any questions, suggestions or concerns by calling 743-6994 or emailing paris.public.library@MSLN.net. Information about the library and its events may also be found on its website, www.paris.lib.me.us, and on its Facebook page.

The Paris Public Library exists solely because of the generous support it receives from the citizens of Paris, for which we are deeply grateful.

Hamlin Memorial Library & Museum

Annual Town Report
July 1, 2013 – June 30, 2014

P.O. Box 43
Paris, ME 04271
743-2980

hamlinstaff@hamlin.lib.me.us
www.hamlin.lib.me.us

The Board of Trustees is, as always, grateful to the Town of Paris and the community for continuing to support our institution. We are a vital resource of local history and our town support contributes greatly to our ability to offer regular hours to the local public as well as visitors from all locales.

Located in the original 1822 Oxford County Jail building, the museum contains early Paris artifacts and a growing archive collection; the library offers historic research materials, current adult and children's books, DVDs, audiobooks, and Maine literature. During the 2013-2014 Fiscal Year, the Hamlin Memorial Library added 278 items to its collection, spending \$3,333, and loaned 1359 items to library members.

The library is now subscribed to OPALS, which is an online library system used by the local school district. All library materials are now listed online and can be viewed by anyone with an internet connection. In addition to making our collection more accessible for our patrons, we are also hopeful that this will lead to more collaboration with the school district. Jennifer Lewis, the Library Director, is currently working on barcoding all items in the library. We are now using OPALS to track circulation, making it easier for patrons to know what items they have checked out at any given time, and giving them the ability to renew and place holds on items at their discretion.

Ann McDonald, the Museum Curator, continued to work on properly archiving all materials and establishing effective archival conditions. She acquired an archival program in which she was logging and cataloguing each item that is in the museum collection, making it easier to find any given item. She continued to work on ensuring that all museum exhibits are protected to the greatest extent possible given the condition of the building.

This past fall, Ann McDonald retired and Alana DePerte was hired as our new Museum Curator. She is continuing on projects that Ann had been begun – mainly cataloguing remaining museum collections and monitoring and caring for museum exhibits.

The library and museum continues to maintain its schedule of being open throughout the year to better provide its resources to the community. The hours of operation are Tuesdays 11-5, Thursdays 1-6 and Saturdays 10-2 year-round.

The Board of Trustees consists of Beth Binette, Carol Daniszewski, Celia Dieterich, Mike Dignan, Jennifer Lance, Barbara Robinson and Carrie Robinson.

Respectfully submitted,

Jennifer Lewis
Library Director

To the Citizens of the Town of Paris:

It is my pleasure to once again report on the activities of the Parks and Recreation programs. Our Baseball/Softball/T- ball programs continue to hold steady if not grow a little each yr. We are serving approximately 200 children a year in the program.

Concerts in the park both day and night continue to be a big draw with the children's shows drawing several hundred people not only from Paris but surrounding towns. The Moore Park Art Show continues to grow each year.

We made repairs and painted the gazebo in the park, added flowers around it and updated and replaced the electrical system. The park is used constantly by both young and old and we are working hard to keep it looking good.

Our committee would like to thank the Town Manager for her support, the Highway Department, the Town Clerk and her staff for their help and support throughout the year.

Also a big Thanks to you the citizens for you're a support; it truly is a community effort.

Sincerely,

Dana Chandler

Dana Chandler, Chairman
Parks and Recreation Committee

**PARIS UTILITY DISTRICT
ANNUAL REPORT FOR THE PERIOD
July 1, 2013 through June 30, 2014**

Officers elected for the period of this report are as follows:

Chairman - Mark Bancroft
Assistant Chairman - Raymond Lussier
Treasurer - Edward Chouinard
Assistant Treasurer - Margie Risica
Clerk - Garrett Frost

Audited Financial reports for the Paris Utility District are available at the Annual Town Meeting and the District's office at 7 C.N. Brown Way.

A review of the district activities for this period is as follows:

The Water Division sold approximately 73 million gallons of water during this period. This is a 5 percent decrease from the last reporting period.

The Federally mandated Annual Water Quality Reports were delivered to our customers during this period. This report, a requirement of the 1996 amendments to the Safe Drinking Water Act, is designed to inform everyone about the quality of water and services provided by the Water Division. Copies of the most recent report are available at the District Office, Paris Town Office and Paris Public Library.

The District continues to make improvements to its infrastructure and equipment. The District is finishing the implementation of a meter replacement program to automate the meter reading process.

The Sewer Division during this period treated approximately 119 million gallons of wastewater and storm water. This is a 16 percent increase from the last reporting period.

The District is still in the process of negotiating the final license for the treatment facility. The District is optimistic that its license should be finalized in 2015.

In the matter of the A.C. Lawrence sludge site off Oxford Street, continued post-closure groundwater monitoring shows no statistically significant impact on water quality as a result of the closure.

In looking ahead the District faces many challenges. The District will be keeping with their current goals of customer service, a quality product of water and treatment of wastewater, prompt and reliable service, for a reasonable price.

We would also like to thank the Paris Highway Department and Fire Department for their help and cooperation on a number of projects throughout the year. Because of these collective efforts, inconveniences to our customers and all residents were kept to a minimum.

The District would also like to take this opportunity to remind everyone that our laboratory is State of Maine certified for drinking water testing and our fees and turn-around are competitive with or better than other testing laboratories.

Respectively submitted,

Board of Trustees
Paris Utility District

January 14, 2015

Office of the Town Manager
Town of Paris
33 Market Square
Paris, ME 04281

To the Inhabitants of the Town of Paris:

The enclosed document packet is a summary of law incidents, offenses and times reported where the Oxford County Sheriff's Office has performed or assisted in law enforcement functions within your municipality from January 1, 2014 to December 31, 2014.

The totals on the law incident analysis time reported will be lower in number than the totals on the law incident total report. The reason for the difference in the two totals is that in the law incident analysis report some of the calls may have generated more than one offense or multiple similar offenses during the time of the call or assistance.

In addition to the law enforcement incidents I have included a one page report that shows the number of emergency medical and fire calls received at the Oxford County Regional Communications Center for the calendar years of 2012-2014 for your municipality.

If you ever have any questions or concerns please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Wayne J. Gallant".

February 26, 2015

Town of Paris
33 Market Square
Paris, ME 04281

Dear Friends and Neighbors,

I would first like to thank the residents of Paris for helping to elect me as your State Representative. It is a pleasure to serve the residents of House District 73 in the Maine Legislature. I am honored that you have entrusted me with this responsibility as I begin my first term as your Representative.

Legislative leadership has appointed me to serve on the Judiciary Committee of the 127th Legislature. The Judiciary is one of the busiest committees in that it touches on a wide variety of legislation. In addition to organization and budgets of the judicial court system, Judiciary oversees the Attorney General and attorneys, criminal and civil procedure, torts, medical malpractice, family law, adoption, domestic relations, child support, guardianship and conservatorship, abortion and reproductive rights, civil rights, human rights, property rights, probate law, business and non-profit and UCC law as well as laws relating to Maine's Tribal States.

I was elected to the Maine Legislature on the promise to represent you, the people of District 73. To do this, I will be seeking your input regularly and want to hear from you with your comments and concerns. Please call me anytime at **514-0414** or email at Skip.Herrick@legislature.maine.gov to keep me updated on those concerns. If you would like to be added to my email update list, you can do so by signing up at the town office or emailing me directly with your request.

Again, thank you for giving me the honor of serving you in Augusta!

Sincerely,

Lloyd "Skip" Herrick
State Representative

District 73 Buckfield, Hebron and Paris

Senator James M. Hamper
3 State House Station
Augusta, ME 04333-0003
(207) 287-1505

Dear Neighbors and Friends,

Thank you for entrusting me to work once again in the Maine Senate. It is a privilege to work with you and for you to better our communities and our region of Maine. I have served on numerous legislative committees and for the past two years I served on Health and Human Services. I am looking forward to my next two years serving as Chair on the Appropriations and Financial Affairs Committee. This committee's assignment is deciding how the state will spend your tax dollars over the next two years. The committee has a big task ahead and I am honored to be a part of it.

We were able to accomplish a great deal during the last session and I look forward to getting more done during the next two years. Paying back the hospitals, decreasing Maine's unemployment rate, and reforming our welfare system were all great victories during the most recent session. I will continue to work hard for Maine's people so that we can all continue to live prosperously.

Again, I am pleased to serve the people of Senate district 19. Thank you for entrusting me to represent you in Augusta. Please feel free to contact me if you ever need my help. My aide is also a resource that I encourage you to use. Annalise Haggerty can be reached by at 287-4884 or by email at annalise.haggerty@legislature.maine.gov. We are happy to assist in any way. I can be reached in Augusta at 287-1505 or by e-mail at senatorhamp@gmail.com. I look forward to your correspondence.

Sincerely,

James Hamper
State Senator

Paul R. LePage
GOVERNOR

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

March 30, 2015

Town of Paris
33 Market Sq
South Paris, ME 04281

Dear Citizens of Paris,

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities is the reduction and eventual elimination of the income tax. Not only does an income tax cut put more money back in your pockets, but it will attract businesses that can offer good paying careers to keep our young people here in Maine. Further, this tax cut maximizes one of our existing resources — tourism — and ensures the millions of visitors who come to Vacationland each year contribute their small part to our economy.

Simply put, this proposal results in an immediate pay raise for all of you hard-working Mainers. It creates stronger and even more vibrant communities as we show people that we are serious about wanting people and businesses to come — and stay — in Maine.

If we are to make Maine prosperous, we must also work hard to reduce our heating and energy costs. I am committed to lowering the cost of energy, not only to attract job creators, but also to allow Maine people to affordably and effectively heat and power their homes.

And finally, it is of utmost importance that we begin to address the growing drug problem in our state. Maine's people are its most precious commodity, and our safety is being threatened by the drugs that are entering our state each and every day. My goal is to face the problem head on by employing more drug agents, prosecutors and judges before the epidemic destroys our communities.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

Paul R. LePage
Governor

Ms. Amy Bernard
Town Manager
Town of Paris
33 Market Square
South Paris, ME 04281

Dear Ms. Bernard,

Attached you will find a summary of material types delivered to Mid-Maine Waste Action Corporation covering the period of January 1, 2014 – December 31, 2014 for your municipality. I hope this information is helpful in completing your Municipal Solid Waste Annual Report.

The list consists of all materials originating from your municipality, whether they were delivered and paid for by you, commercial haulers or residents. We show recycling factors, where appropriate, for the different waste categories.

If you have any questions, feel free to give me a call.

Sincerely,

A handwritten signature in blue ink that reads "Jessica Bouchard".

Jessica Bouchard
Accounts Receivable

MEMBER COMMUNITIES:
AUBURN • BOWDOIN • BUCKFIELD • LOVELL • MINOT • MONMOUTH • NEW GLOUCESTER • POLAND • RAYMOND • SUMNER • SWEDEN • WALES

**Mid-Maine Waste
2014 Material Summary**

Origin	Material	Qty.	Recyclable Rate	Tons Recycled
PARIS	Gate Rate	0.93 ton	2.8%	0.03 tons
PARIS	Oversized, Bulky Waste	38.62 ton		
PARIS	Oily Waste	1.30 ton		

Hauler & Gate rate is waste received from commercial businesses.

Note: Total Metal Retrieved is 0.03 tons

Norway Paris Solid Waste Committee 2014-2015

To the Residents of Norway and Paris,

Norway Paris Solid Waste has tackled some major projects over the past year. Norway Paris Solid Waste and Oxford County Regional Recycling began discussions on sharing a facility manager. We envisioned this as a way to begin what we see as a natural combining of the two entities.

Two employees retired from their jobs at NPSW and another employee chose to reduce their hours of work. This gave us the opportunity to bring Warren Sessions, Manager of Oxford County Regional Recycling over to NPSW and serve as the overall facility manager. NPSW and OCRR divide the financial obligations of this position. Warren began his increased responsibilities on July 17, 2014 and was approved as the new manager on October 17, 2014. Overall, it has been a positive change. We now have the ability to cross train employees so they will be confident and able to work at any job on the site.

Some of the smaller member communities of Oxford County Regional Recycling have chosen to make an operational change and have or will be leaving OCRR and dealing directly with a zero-sort vendor. This will make the likelihood of a NPSW/OCRR merger even more real in the near future. OCRR continues to sell very good individually recycled material which includes our clean cardboard, plastic, tin, aluminum, glass, and paper to companies that still purchase recycled goods this way.

Should the merger take place we could handle recyclables as we have been or convert to zero-sort. Both ways have benefits and a decision could be made at any time in the process. Many citizens and residents ask about the single stream/zero-sort recycling and we want you to know that we continue to contemplate and work toward providing this service.

We found ourselves with the need to purchase two new solid waste hauling trailers. Repair estimates on the old trailers were prohibitive. Two other trailers had reached the end of their useful lives and were taken out of service in 2013. The bidding process yielded us the opportunity to purchase two trailers for \$116,000.00. The money was borrowed through Androscoggin Bank and will be paid back over four years at \$30,000.00 per year. The first payment on the debt was paid on delivery of the new trailers. Long-time Norway Paris Solid Waste Employees Dennis Walton and Dick Harvey retired this year. They were both valued employees and are missed by many.

This Board wants to thank the faithful employees of NPSW and OCRR for their hard work and for being willing to adjust to a new system of operations. You are appreciated.

Respectfully,

Vern H. Maxfield, Janet Jamison, Tony Morra and Sherry Olmstead

**REPORT OF
RESPONSIBLE PET CARE OF OXFORD HILLS, INC.
Shelter & Adoption
9 Swallow Road, Paris Maine**

Responsible Pet Care of Oxford Hills, Inc. is a non-profit, 501-C3 organization that provides a no-kill shelter for homeless cats and dogs located at 9 Swallow Road in Paris. We are equipped to provide treatment and shelter for 85+ felines and 12+ dogs. Animals not claimed by their owners are adopted into approved homes, healthy, vaccinated, flea treated, wormed, spayed/neutered and tested. In 2014, 118 dogs and 443 cats were adopted into new homes.

“RPC” has agreements with the Towns of Norway, Paris, Oxford, Otisfield, Harrison, Woodstock, West Paris, Greenwood, Hebron, Buckfield, Mechanic Falls, Poland, Gilead, Milton Township and Bethel to take strays. We accept owner surrender cats and dogs when cage/kennel space allows.

- Did you know? One unspayed female cat is capable of producing 20+ kittens per year for most of her life, female kittens start reproducing as early as 6 months of age, *and* siblings will breed. This is why it is so important to spay, neuter and report strays to the animal control officer.
- Did you know? Each time a dog gives birth to puppies it can take as much as two years off her life. When you purchase a puppy, be conscious of where it comes from. Do not support “puppy mills”. In “puppy mills”, female dogs are bred too often, puppies may be sold too young and dogs may be kept inhumanely. They may be sick or become sick. Be very careful if you purchase a pet on line.
- Did you know? It is unlawful to sell a puppy or kitten before the age of 6 weeks. It is also required that a breeder and/or pet dealer provide the buyer of the puppy or kitten with a written disclosure indicating their history, including healthy records.

Responsible Pet Care can direct you to resources for low cost spay and neuter for dogs and cats. Please call us at 743-8679 for more information. Because of irresponsible breeding, there is an overwhelming necessity to spay and neuter bully breed types. The State of Maine FIX ME spay/neuter program in Augusta is issuing certificates with highest priority to this breed type of dogs and to cats. FIX ME program spay/neuter certificates cost \$10 for cats and \$20 for dogs. Responsible Pet care will cover these fees to qualifying individuals. Additionally, we have grants available to assist owners in the cost of spaying and neutering their pets that do not qualify for FIX ME. To contact FIX ME, 800 367-1317.

Dog licenses are due each year by January 1. The fees are split between your municipality and Maine Department of Animal Welfare. If your dog gets lost and is wearing the dog license tag, there is a very good chance that he will be returned to you. The cost to register your dog is \$6.00 if spayed/neutered and \$11.00 if not. If you do not license your dog by January 31, there is a late fee of \$25.00 per dog. “RPC” urges all pet owners to make sure pets are identified by ID tag, dog license tag or microchip so that pets may be returned if lost.

Thank you for your support.

Responsible Pet Care Directors
