General

Section 201. PERMIT REQUIRED

No licensee for the sale of liquor to be consumed on his licensed premises shall permit, on his licensed premises, any music, except radio or other mechanical device, any dancing or entertainment of any sort unless the licensee shall have first obtained from the municipality in which the licensed premises are situated a special amusement permit signed by at least a majority of the municipal officers.

Applications for all special amusement permits shall be made in writing to the municipal officers and shall state the name of the applicant; his residence address; the name of the business to be conducted; his business address; the nature of his business; the location to be used; whether the applicant has ever had a license to conduct the business therein described either denied or revoked and, if so, the applicant shall describe those circumstances specifically; whether the applicant, including all partners or corporate officers, has ever been convicted of a felony and, if so, the applicant shall describe specifically those circumstances; and any additional information as may be needed by the municipal officers in the issuing of the permit, including but not limited to a copy of the applicant's current liquor license.

No permit shall be issued for any thing, or act, or premises, if the premises and building to be used for the purposes do not fully comply with all ordinances, articles, bylaws, or rules and regulations of the municipality or State.

The fee for a special amusement permit shall be \$10.00.

The municipal officers shall, prior to granting a permit and after reasonable notice to the municipality and the applicant, hold a public hearing within 30 days of the date of the request was received, at which the testimony of the applicant and that of any interested members of the public shall be received.

The municipal officers shall grant a permit unless they find that issuance of the permit will be detrimental to the public health, safety or welfare, or would violate municipal ordinances, or rules and regulations, articles, or bylaws.

Whenever inspections of the premises used for or in connection with the operation of a licensed business which has obtained a special amusement permit are provided for or required by ordinance or State law, or are reasonable necessary to secure compliance with any ordinance provision or State law, it shall be the duty of the licensee, or the person in charge of the premises to be inspected, to admit any officer, official, or employee of the municipality requesting the same sufficient samples of the material or commodity for analysis.

In addition to any other penalty which may be provided, the municipal officers may revoke the special amusement permit of any licensee in the municipality who refuses to permit any such officer, official, or employee to make an inspection or take sufficient samples for analysis, or who interferes with such officer, official, or employee while in the performance of his duty. Provided, that no license or special amusement permit shall be revoked unless written demand for the inspection or sample is made upon the licensee or person in charge of the premises, at the time it is sought to make the inspection.

#### Section 203. SUSPENSION OR REVOCATION OF A PERMIT

The municipal officers may, after a public hearing preceded by notice to interested parties, suspend, or revoke any special amusement permits which have been issued under

this Ordinance on the grounds that the music, dancing, or entertainment so permitted constitutes a detriment to the public health, safety, or welfare, or violates any municipal ordinances, articles, bylaws, or rules and regulations.

#### Section 204 RULES AND REGULATIONS

The municipal officers are hereby authorized, after public notice and hearing, to establish written rules and regulations governing the issuance, suspension, and revocation of special amusement permits, the classes of permits, the music, dancing, or entertainment permitted under each class, and other limitations on these activities required to protect the public health, safety and welfare. Such rules and regulations shall be additional to and consistent with all sections of this Ordinance.

#### Section 205. PERMIT AND APPEAL PROCEDURES
