

Request for Use of Town Properties

Due to the influx in requests to use Town Properties for Fall Sports practices in order to meet social distancing requirements for the ongoing COVID-19 Pandemic, the Town of Paris is requiring that teams and organizations complete an application form. Town properties should not be used for sports practice purpose until an application is received and approved by the Director of Parks and Recreation or the Town Manager. Organizations may be required to provide proof of Liability Insurance before using Town Properties. We appreciate your cooperation as we try to provide everyone with the opportunity to use town properties safely.
